We

The Yearbook Staff Of

Nineteen Hundred Sixty Three

Do Dedicate

This Volume Eighteen

of

The Buffalo Roundup

MR. J. M. YATER
Elementary Principal

MR. L. M. HAYS, JR.
Courtney Principal

In recognition of the many good services they have rendered in our behalf.

It is my privilege to express my appreciation to all those people who help to make a good school year -- students, faculty, school board members, and patrons. It takes all these people working together to accomplish the aims of a good school.

The Yearbook Staff and their Sponsor have worked hard to assemble this fine record of the activities of the year 1962-63 , and to them goes my especial appreciation.

Sincerely.

L. M. Hays, Superintendent

Editorial

This year we have tried to make our Yearbook an original one and a personal book of memories for each student.

We hope you will receive as much pleasure and enjoyment from looking at this book as we have received from the making of it.

It is not possible for us to say how much we have enjoyed this our last year on the staff of the Roundup, and it is with regret that we relinquish our positions.

To the staff of the 1964 Yearbook, we leave all our best wishes and hope you can look back on your year of work with as many warm memories as we have of our year.

Sincerely,

Ann + Jana

LEST YE FORGET

"All the world's a stage and all the men and women merely players."

This is a little stage in comparison to some stages, but for four years, more or less, we have played our parts on it. Sometimes we have forgotten our parts, but we have had our ideals and have tried to give the best of our talents to our school world. Now the curtain is going down on this part of our lives, and we want to leave something for the coming class to remember us by. So we leave the following will and testament.

LAST WILL AND TESTAMENT

We, the members of the graduating class of 1963 of Stanton High School, in the city of Stanton, county of Martin, state of Texas, being of questionably sound mind, poor health, and frazzled nerves, do hereby leave and bequeath these - our last wishes and possessions.

Article I

To the teachers, who have gone through the ordeal of showering us with knowledge, we leave our sincerest gratitude for their efforts and hope that someday they may have a class brighter than this one.

To the seniors of 1964 we leave the confidence that they will fill our places worthily.

To the coming juniors, we leave, glad of the fact that they are getting closer and closer to being seniors.

To the sophomores we leave all that high and mighty, know-it-all feeling that comes with the second year of high school.

To the freshmen we leave the memories of a year that is probably the happiest year in high school.

Article II

I, Larry Adkins, leave my poetic ability to Harold Cain.

I, Dewey Anderson, leave to Carol Ringener the priviledge to stay in school *one* more year.

I, Jimmy Barnhill, leave - I hope!

I, Joe Earhart, leave to distribute my talents to a waiting world.

I, Bob Stephenson, leave my hot temper in the hopes that someone will bury it.

I, Ted Stewart, just leave.

I, Alton McCormick, otherwise known as McGruder, leave my definitions of words to anyone who can understand them.

I, Bud Glaspie, leave my typing skill to just anyone who needs it.

I, Bill Graves, leave to all the boys my art of catching Girls.

I, James Mashburn, leave my office as President of the Rest Room Club to Gary Doshier.

I, Jerry Overby, leave in hopes tomorrow will be better.

I, David Owen, leave my driving ability to Janis Morrison.

I, Lynch Hightower, leave my flirtatious ways to Wayne Woody.

I, David Hodges, reluctantly leave my black book to Clinton Miller.
I, Mack Mathis, leave with a song in my heart.
I, Benny Womack, leave my math ability to Carolyn Springer.
I, Mike Sorley, leave without a girl friend - sorry, girls!
I, Laman Lankford, leave my ability to get into trouble to Ronnie Hays.
I, Sherman McKaskle, leave my brain - I don't need it.
I, Ben Mott, leave with a sudden burst of energy.
I, Joe Williams, leave my ability to run to Rodger Boyce.
I, Judy Pinkerton, leave my stardom to anyone who can master it.
I, Kay Bryan, leave my box of pills to anyone who is hungry.
I, Lilly Massey, leave my knock knees to Reba Saunders.
I, Phyllis Long, leave my telephone number and address to all boys interested.
I, Jan Rhodes, leave my original - and sometimes wild - hairdos to Mary Glaspie.
I, Marilyn Sale, leave my pep to anyone who can find it.
I, Nancy Robnett, leave my refined ways to Pat Thrailkill.
I, Linda Phillips, leave my stylish walk to Gay Gates.
I, Carol Smith, leave my ability to catch and keep boys to any girls who may be interested.
I, June Harrell, leave in the hope of being the second Connie Stevens.
I, Joanna Epley, leave my second name to anyone who wants it - and can pronounce it!
I, Martha Johnson, leave my dainty figure to Judy Doshier.
I, Carolyn Taylor, leave my mousey ways to James Lewis.
I, Charlotte Voight, leave my blushing ways to Nancy Powell.
I, Judy Cain, leave my minute size to Nannette Pardue.
I, Elizabeth Pickett, leave to distribute my talents to the world.
I, Ann Yater, leave with hopes of finding an easier way of publishing a Yearbook!
I, Nona Langley, leave hoping I am still a member of the Student Council.

CAROLYN SPRINGER - Sophomore

Carolyn Springer, a sophomore, has found time in two years of high school to take part in a variety of activities. She is a very versatile girl.

She served her freshman class as Secretary-Treasurer, and her Sophomore class as Student Council representative. This year she was a member of the Yearbook staff and a good one. She has helped to "boost" school spirit by being a member of the Pep Squad.

Carolyn serves her school as Student Reporter to the Big Spring Herald.

As an active member of FHA, Carolyn serves as Historian, and holds the Junior Degree of Achievement.

Carolyn is a member of the National Honor Society, and has been chosen Student of the Month three times. Her election to the page of Faculty Who's Who is a well deserved honor.

Tommy has set his goal for a college education. Although his grades have not always been at the top of his class, he has always gotten along well with his teachers because of his dependability and consistent work.

Tommy's extra-curricular love is sports. Through his first three years he has taken an active part in all sports: football all three years, track in freshman and junior years, and basketball his sophomore year. He has been a member of the Lettermen's Club all three years.

Besides his school work, Tommy is interested in Community work and takes an active part in church work. He is a good citizen in the school and community, and we believe he will be the same when he graduates next year and has to try his skills in a larger world.

TOMMY SHANKS - Junior

Jana has been active in every phase of High School work for all four of her high school years.

She has served as secretary of the Student Council, Vice-President of FHA, Co-Editor of the Yearbook of 1963, Secretary-Treasurer of the Pep Squad, and Pianist for the Choir in her senior year.

Jana is well liked by everyone. She was elected Class officer two years, Class favorite two years, and Best Natured this year.

Not only is she admired by her fellow students, but also by the faculty who elected her citizen of the month two years and as a candidate to represent Stanton in the state Daughters of the American Revolution.

Jana is an "A" student and has brought recognition to the school by winning first in Interscholastic League Typing Contest, attending the State FHA meeting in Dallas, and State Student Council meeting as a junior.

She is also active in community and church affairs. Truly she is a well rounded citizen.

JOANNA EPLEY - Senior

MARY GLASPIE - Junior

Mary's accomplishments speak louder than words. She has participated actively in FHA, Student Council, and National Honor Society. She has been Secretary of FHA and President of the National Honor Society.

Mary was a class officer her freshman and junior years, and class favorite her junior year.

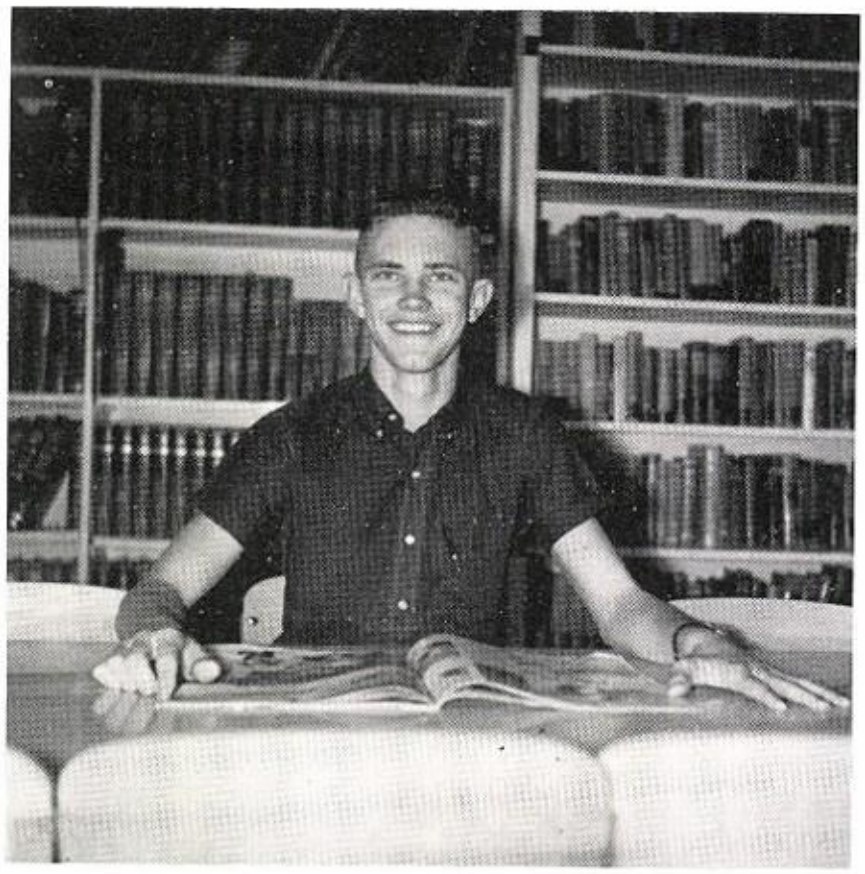
She has participated actively in basketball and volleyball for three years, and was chosen Most Athletic her junior year.

Mary has represented her school as Cheerleader for two years and has been chosen for her senior year also.

She attended the State FHA meeting in Dallas, and the Southern Association of Student Councils in Amarillo.

Mary has shown herself to be a good student and citizen by being named Student of the Month as well as Faculty Who's Who for the Yearbook.

We think you must all agree that Mary is a credit to her school and to her community.



Carroll is just a sophomore, but his achievements are beginning to mount.

He has participated in football and basketball both years; ran track his freshman year; and this year he is playing tennis. This is his second year in the Lettermen's Club.

Carroll has been a class officer for two years and was Class Favorite his freshman year. He is a member of the National Honor Society and was chosen Most Intellectual this year. He has served on the Student Council two years as class representative freshman year and treasurer this year.

His classmates and his teachers have learned to depend on Carroll for many things.

CARROLL ANDERSON

Faculty Who's Who

These students have been chosen by the Faculty of the High School for Attitude, Ability, and Achievement. Also for their Citizenship - Everyday Good Manners; they are prompt and polite; their Cooperative Attitude; the fact that they participated to their potential ability; and for their Consistent Study Habits.

The five students listed had the highest number of votes. The ones in this group were also nominated. They deserve a great deal of praise for the things they have done and for the honors they have won for themselves and for the school.

KAY BRYAN

Kay is serving as Area II President. In this capacity she has had many responsibilities and experiences. She attended State Meeting in 1962 where she appeared in a devotional and in the installation of the state officers. She was also a guest at the President's breakfast.

In July of 1962, she represented Area II at National FHA meeting in Salt Lake City. In August she attended State Executive meeting in Austin where she served as a member of the Constitution committee, whose duty it was to review the State Constitution and to make plans for the Saturday morning business session for State Meeting in 1963. It has been Kay's duty to sign and mail junior and Chapter degree certificates to chapters in the Area. At Area Meeting held in Odessa March 23, Kay presided at the morning session and at the business session held during the noon hour. She also was presiding officer for installation of new Area officers.

At State FHA meeting in Dallas 1963, Kay met as a member of State Executive Council to go over final plans for the meeting. She again appeared on the program in a devotional and in the installation of new State officers.

In addition to holding Area office, Kay served as president of District IV for 1961-62; as Chapter Reporter her sophomore year; as Chapter vice-president her junior year; and as Chapter president her Senior year.

In the fall of 1962, The Stanton Chapter chose Carolyn as their candidate for Area Fifth Vice-President. In January the chapters in the area selected Carolyn and a girl from Big Lake as run-off candidates. On the night of March 22, which will be after the Yearbook has gone to press, one of these two will be selected by the members of Area II Executive Council as Area officer in charge of Public Relations for 1963-64.

Carolyn has been an outstanding member of the local chapter for two years. She received her Junior Degree as a freshman and her Chapter Degree as a sophomore. She has served as Chapter Historian this year; and has been a leader in many ways. Especially has she been outstanding in the chapter's money making activities.

Another honor came to Carolyn this year. She was chosen one of five students to be featured in the Yearbook as Faculty "Who's Who."

Football Record

The Stanton High School Buffaloes were not always successful in winning games in the 1962 season, but did achieve several goals.

In the roughest schedule in Stanton Football history which included five district champions, (Big Lake, Seagraves, Fort Stockton, Denver City, and Crane) Stanton won four and lost six. Big Lake, Denver City, and Seagraves were rated among the top ten teams of their classes in the state.

Possibly the game which was outstanding over any other game in our 1962 season was the Seagraves game. Seagraves was rated number nine in the state at the time of the Stanton Victory, 19-12.

Jack Thomas, head coach at Hardin-Simmons University spoke at the football banquet, held in the Cap-Rock Banquet room December 17, 1962. Stanton Players named to the all-district team were announced at the banquet. They were Dewey Anderson, Bud Glaspie, Bill Graves. Those making honorable mention were Mack Mathis, Ted Stewart, and Ben Mott. Bill Graves was named lineman of the year, Dewey Anderson was named back of the year, and Bud Glaspie was voted most valuable player.

The football squad also selected a fan of the year: Connie Mack Hood. Captains were named at the banquet. They were Mickey Allen, Donnie Polson, and Ronald Hartsell.

The banquet officially closed the 1962 season and unofficially opened the 1963 season.

1962 FOOTBALL RESULTS

Merkel	34-18	Crane	0-13
Coahoma	8- 0	Denver City	0-56
Fort Stockton	12-14	McCamey	15-26
Seagraves	19-12	Alpine	27- 0
Big Lake	8-28	Sonora	21-24

JUNIOR HIGH FOOTBALL

The Junior Varsity team gave an indication that Stanton Teams in the future may be hard to handle by opponents. They had a 4-4 season record against the toughest opposition available, beating Coahoma and Post twice and losing twice to the Monohans reserves, the Crane Junior varsity, and the Forsan A team, which moved up to eleven man football to tune up for district play, which incidentally they won.

JUNIOR VARSITY RESULTS

Crane	0-32	Post	42- 0
Coahoma	36- 0	Monahans	8- 0
Post	72- 0	Coahoma	Won on Forfeit
Forsan	0-29	Monahans	8-20

ELECTRICITY

Energy for Progress

In this world we live in, electric energy is vitally important—not only for daily living but also to make possible continued progress. Try to imagine today's world without electric lights or factory motors . . . without refrigeration or television . . . without the benefits of hundreds of other uses of electric energy.

Because electric power is so essential to progress, Texas Electric constantly plans ahead and builds new power plants, lines and other facilities. For this reason, you may be sure that in the area we serve there will always be plenty of dependable electric power for progress and for better living.
